

Dear Parents/Carers,

There will be an opportunity for all children to take part in SAT's booster sessions in the run up to their assessments in May. This will give the children another opportunity to practise any skills that have been taught within sessions at school.

These sessions will take place on a Monday after school and they will be run by myself. We will cover all areas of the SATS during the sessions.

If you are happy for your child to attend these sessions, please complete the reply slip below and hand back to school by no later than **Friday 2nd February 2024**.
