Well Done!

Well done to Gabby who earlier in the year qualified 8th in cross country County races and was invited to attend to run for the County at the National races. 154 runner took part and Gabby came 125th. Gabby was running against girls who are the best in their county and some other participants found this very challenging and struggled with the level of skill and competition. Gabby smiled all the way around, took in the whole experience and showed fantastic sportsmanship by encouraging another runner from Leicestershire across the finish line. This was noticed by all concerned. Gabby has made us all very proud of her, she has shown courage, determination, resilience and team skills.

Blue Hoots Parking

Please be reminded that Blue Hoots car park is for the use of Blue Hoots staff and for dropping off nursery age children who are attending nursery that day. I have been asked to remind you that this car park should not be used by school parents for dropping off children to Blakedown CE Primary unless nursery age children are being dropped at the same time.

Many thanks.
