INSPIRATIONAL SCIENCE WORKSHOPS
BRING SCIENCE TO LIFE

13.02.23

Dear Parents/Carers

On Wednesday 1st March 2023, we will be inviting the 'Hands on Science' company in to work with our children in Years 3, 4, 5 and 6, as part of the science element of our spring term topics. We will spend at least an hour each with the company taking part in a practical workshop, where children will have the opportunities to take part in discussions and practical investigations with a trained professional educator. Each year group will have a different science focus as below:

Year 3: Skeletons

Year 4: Digestion

Year 5: Mars Lander

Year 6: Lovely Light

As the workshops will be held in school, there will be no travel costs, however we are asking for a contributions to cover the cost of the workshop and resources used, this will be **£4.45 per child**. Payments should be made online via Payments4Schools by Friday 24th February.

Please complete the online form which will be sent to you along with your contribution no later than **Friday 24th February 2023**.

Yours sincerely

Mrs L Anderson / Miss C Waldron
