Dear Parents and Carers,

RE: Wonderdome Mobile Planetarium Visit

Next half term, Y5 are learning about Space and the Solar System and on **Tuesday 7<sup>th</sup> March 2023**, a mobile planetarium company called WonderDome ([www.wonderdome.co.uk](http://www.wonderdome.co.uk)) will be visiting our school. A mobile planetarium will be set up in our school and WonderDome's astronomy presenters will work with the children.

This is a unique experience for the children to explore our Solar System first hand through a presenter-led shows immersed in a real planetarium setting. The children will be split into two smaller groups of 15 so that they each are able to comfortably experience a 50- minute show.

We would need to ask parents/carers to contribute **£12.18 per child**, on the understanding that without this we may not be able to proceed with the event.

We would appreciate if you can **respond to the online consent form and make appropriate payment by no later than Friday 17<sup>th</sup> February 2023**.

Payment can be made via Payment4Schools.

Yours sincerely,

Miss L. Alton

Year 5 Class Teacher
