### Organisation of Class Briefings 20.09.23

At 4.00 p.m. there will be a briefing delivered by your child's class teacher about: the expectations for the year, the children's experiences and how you can support at home. This will last for approximately 30-40 minutes. On Wednesday, please collect your child at the usual time and, once we have handed all children over to the relevant parent/carer, we will open up the doors your child enters in the morning for you to enter the relevant classrooms.

Although all briefings are being held at the same time, we have paired up the year groups so that you can hear about Year 1 & 2, Year 3 & 4 and Year 5 & 6 together.

We look forward to seeing as many of you as possible, but if you are not able to attend the briefing, all slides will be available on the class pages of our website after the event.

### Wrap Around Care Pick Up Access

With the dark evenings approaching and some after school clubs starting from Monday, the back-gate access to school will be locked at the end of the day. This will mean unless there is an event in school, you will be asked to access the school site and collect your child from Wrap via the front gates of the school. We politely request that you refrain from parking in front of the gates though, and use parking available in the village. Thank you.

### Scooters & Bikes

*Please help your children to remember that they need to dismount from their scooter or bike once on the school site. This is for the safety of all pedestrians of all ages. Your support with this is much appreciated.*
