Cross Country

Last week we sent teams of Year 5 and Year 6 to take part in a Cross Country event. The children ran well and displayed great effort, resilience and sportsmanship. They have made us feel very proud of their achievements. For some, it proved to them what they were capable of when they approached with a positive mindset, for others it was a great opportunity to further challenge themselves. A special mention to Peggy and Charlie who came second and third respectively in their Year 6 races!
