### Open Book Evening

You are warmly invited to attend our Open Book Evening, which is an opportunity to visit school so that your child can show you their recent work. Parents/carers are invited to visit school after all children have been dismissed, therefore collect your child at 3.20 p.m. as usual. This is an open event and no appointment is necessary, however this event will close at 5.00 p.m. All children should be with their parents/carers during the event as it is a time for them to spend time discussing their work. For Reception parents, your children will not as yet have written in any books, but you are still welcome to attend and visit the classroom with your child.

We look forward to seeing you.
