Well Done!

Well done to Year 2 who went on a school trip this week to the Mosque in Worcester. The children had a wonderful experience to add to the knowledge they had been learning about in school. They listened really well, were respectful, smart and polite.

Happy Birthday!

Happy Birthday this week 4th -10th March 2024 to:

there are no birthdays this week!

Gate Maintenance

The planned maintenance on the gates at the front of school needs to extend into next week and is not expected to be fully completed until Thursday.

Therefore entrance/exit to school will need to remain by the rear or side gate. If there are any changes I will let you know.

Many thanks.

Chewing Gum

There have been a few instances where chewing gum has been found on the playground or on paths around school, this is damaging to the grounds and also to people's footwear. Chewing gum/bubble gum is not allowed on school premises at any time. We appreciate you and your child supporting this message.
