

KS2 EXPECTATIONS

2022/2023

Class Briefing for Parents and
Students

Miss C Waldron and Mrs L Anderson

JOY

SERVE

ACHIEVE

Weekly/Daily Routines

- Every morning the children will have a morning activity. These are planned throughout the week to help settle the children, help cover curriculum objectives and to help get them focussed ready for the day ahead, these include: Handwriting, Maths Challenges, Creative writing opportunities, reading tasks, class worship and free drawing.
- Children are expected to have their: Recognition cards, reading records and homework due in on time on a weekly basis and it is essential that the children take the responsibility to get these organised.
- On PE days, it is essential that your child arrives to school in their PE Kits (**Monday & Thursdays Y3 and Mondays & Wednesdays Y4**)
- Please note that your child should come to school with: no jewellery apart from a pair of studded earrings; no painted nails; no loose hair below their shoulders without a hair tie or access to smart watches linked directly to a mobile phone)
- Please ensure your child has access to a water bottle for the day and has a break time snack in the form of fruit or vegetables
- Each child should have a coat in school and have access to the appropriate footwear for social times such as a spare pair of shoes/trainers

Homework

- Homework is given out on a **Wednesday** and is expected back on a **Tuesday** morning.
- Children have to complete at least one Maths and one Literacy activity a week - children can complete any additional activities if they like by using our educational sites:
- www.mymaths.co.uk
- <https://www.maths.co.uk/>
- www.spag.com
- <https://trockstars.com/>
- There will be an in-depth project focussed homework sent out each half term, which can be emailed to teachers via office@blakedownprimary.worcs.sch.uk or in the case of models, brought in on the designated day.
- Homework should be completed to the best of the child's ability and they should be proud of what they hand in, when it is due - please record this in pencil and ensure they try as much as they can independently.
- There is a homework club available for the children to utilise on a Tuesday lunchtime

Microsoft OneNote

- Year 3 -6 will be receiving homework via the Microsoft OneNote platform
- This can be accessed through Office 365 - *See supporting documents on the website for help with accessing this*
- The children will need to know their U: and P: to access this account at home. The children will become familiar with these log in details as they will be using them within their computing sessions
- You can access the homework tasks by navigating through the tabs on the left-hand side of the notebook

Curriculum: Our way of planning and learning to suit all

- For information on the coverage of your child's learning please visit the website below and find your child's class page.

<http://www.blakedowncofeprimary.co.uk/>

- On here you will find: routines, our class timetable, our curriculum overviews and any supporting resources for your child's learning.

We encourage the children and yourselves to use this to ensure you are up to date with current events.

Curriculum: Key Stage 2

- The demands of the curriculum continue to depend on children mastering their objectives by the end of their year groups. Standards are high and since changes to the curriculum in 2014, children will either be: working towards, working at or working at greater depth within their curriculum objectives and this will be reported at parents evenings and within their summer report.
- Each year has objectives that have to be taught, learned and understood by the children so that they can achieve the 'expected standard'. They are progressive, therefore it is important that each year the children build on previous year's knowledge.
- Our learning is planned to be interconnected where possible, whilst also ensuring children learn knowledge and skills for each subject area. Due to the volume of coverage needed for the children to reach the standard by the end of the year.

End of Term Assessments

- Class teachers will be assessing your child in many different ways: one of the ways we assess the children is through end of term assessments or end of topic assessments. These help to support our teacher judgements formed on a daily basis.
- In Years 3 & 4, you will find that we assess the children by using end of topic tests, quizzes and 'in the moment' assessment throughout different units of work.
- These will most often be shared with pupils and parents but where this data is only used as a baseline at the beginning of the year, children will not necessarily be told their scores
- These assessments will then be used to support future planning and any interventions that children may benefit from

Curriculum: Trips and Visits

- Our trips and visits are planned to specifically meet certain objectives and to support the learning happening within the classroom. This helps to deepen the children's understanding and allows them to have hands on experiences.
- Where possible, a trip or visit is planned once a term in the hope that all children will have the opportunity to learn through a hands on approach.

Where possible, we will aim to reduce the costs of transport by inviting visitors and external workshops into school.

Our Christian Ethos

JOY

SERVE

ACHIEVE

At Blakedown, the roots of our vision are from Psalm 139:14

'I will praise you because I am fearfully and wonderfully made'

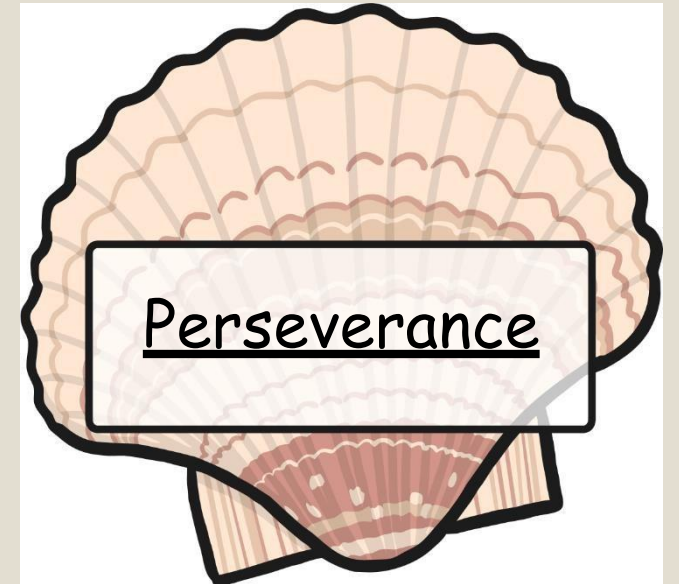

derived from the fact that we are all unique and made in God's image with individual talents and dreams.

We want our children to be happy in and out of school, to have a deep-rooted sense of **JOY** in their lives and to be content and comfortable with who they are;

We want our children to recognise their individuality and to use their talents and abilities in **SERVICE** of others;

We want our children to be equipped with a love of learning and the skills and resilience to flourish in the face of life's challenges to **ACHIEVE** and be the best version of themselves.

Christian Values

Emotional Health and Wellbeing at Blakedown

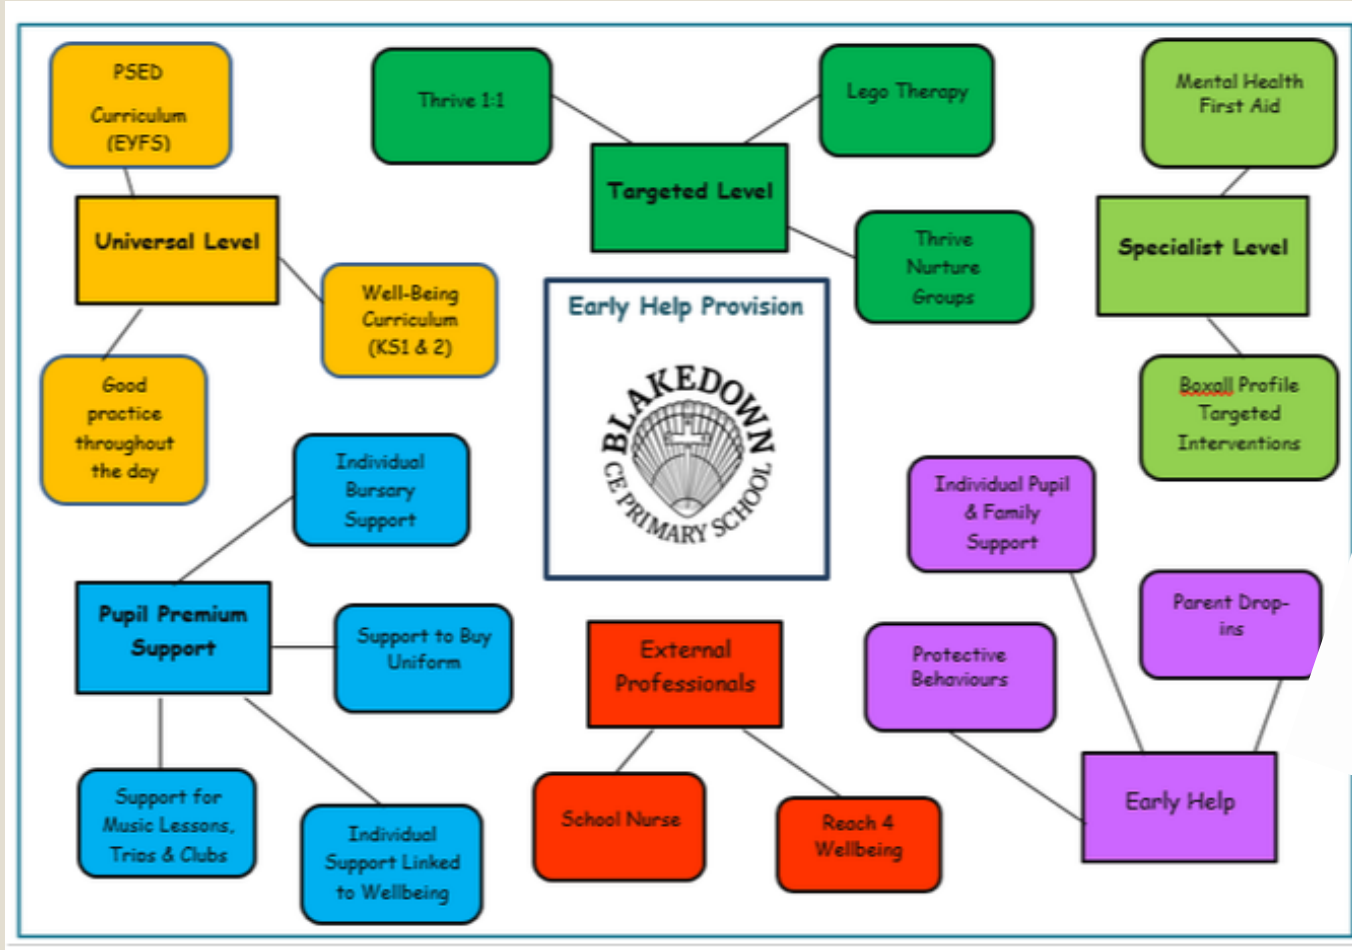

We aim to promote positive mental health for every member of our staff and pupil body. We pursue this aim using universal (whole school approaches), targeted and specialised approaches supported by the emotional health and wellbeing pathway.

In addition to promoting positive mental health and wellbeing, we aim to recognise and respond to need as it arises. By developing and implementing practical, relevant and effective mental health and wellbeing policies and procedures we can promote a safe and stable environment for pupils affected both directly, and indirectly by mental health and wellbeing issues.

*Further information can be found on our website or Mrs Marshall and Mrs Nash, our Mental Health First Aiders, can be contacted via the office.

Our Early Help Offer

Support for Children and Families
 Introduction to Early Help at Blakedown CE Primary School

BLAKEDOWN CE PRIMARY SCHOOL

At Blakedown CE Primary School we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support. If this is the case please come and talk to us. There are many ways in which we can help as outlined in this offer of early help. We can also help to plan specific support for families where we can work together to set and achieve outcomes.

The diagram below shows the range of needs at different levels. We use this graduated approach to make sure we provide the best support for different families' individual situations.

Child or Families Situation	How Professionals Respond
...In need of serious help	4 I really am concerned. I need to talk to children's social care
...May need further help	3 I need to work with other agencies
...May need	2 I need to...

Universal services involve: Specialist & Statutory Support, Early Help

Behaviour/Recognition Board Expectations

- Children are expected to abide by our school rules and values and behave in a way that helps them to learn, be safe and be respectful.
- The recognition board allows us to praise positive behaviour and encourages them to achieve in all aspects of school.
- If children do not make a good choice, they will be given a verbal warning which advises them about the inappropriate choice, the affect and possible consequence.
- If children continue not to make a good choice, an appropriate consequence will be issued and further discussion about how to make better choices in the future will take place.
- Key stage leads and parents may need to be contacted.

If a child has been recognised often throughout the week, they may be recognised within our Friday recognition assembly.

Behaviour/Recognition Board

Expectations

- In KS2, a consequence for a child may be to miss a part of their break time or lunch time.
- If this behaviour persists following warnings and reminders, parents will be contacted and involved in conversations with both the teacher and child.
- If this still continues to be an issue then parents will be invited in to discuss a formal action plan to support an improvement in their child's behaviour. Further consequences such as earning a right to take part in events may also be issued.
- We expect that children abide by our expectations, as a school, in respect of both their teaching staff and their peers

We would thank all parents for supporting us with this both in and out of school.

Where to find information/points of contact

- We are usually available before and after school either welcoming children on entry to school or dismissing at the end of the day.
- Messages can be left on the children's record cards; within homework books or reading records
- We are contactable via the office to arrange meetings or call backs
- Information can be found on the school website, class pages and newsletters for further clarification - please read these!

How you can help?

- Lunchtime hot food orders
- Time keeping
- Organisation - drinks, belongings, PE
- Naming uniform

Building Relationships

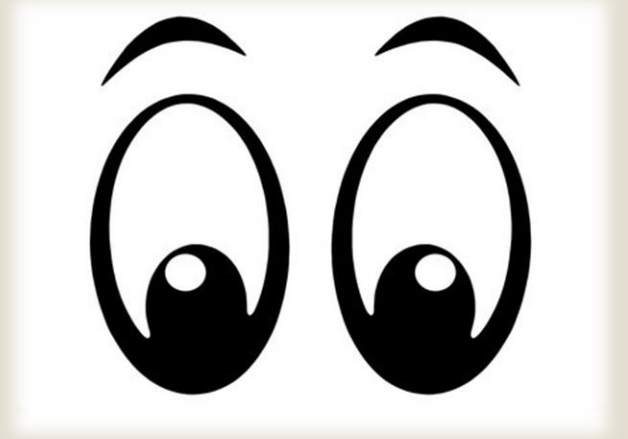

We work hard to build strong relationships between staff, parents and children in order to provide the best learning environment for everyone at Blakedown CE Primary School.

We appreciate communication which facilitates moving forward to achieve the best for your child.

We look forward to working in partnership with you over this academic year!

Look out for...

- Pioneer meeting for Year 4
- Reading at home workshops
 - Maths workshops

Any Questions?

A background graphic featuring a collage of overlapping geometric shapes in light blue, pink, and yellow. Large, stylized grey question marks are scattered across the composition, some appearing to be part of the shapes or floating independently.

If you have any questions please feel free to stop and discuss these with us now.

Thank you for joining us today.
