Open Book Evening

You are warmly invited to attend our Open Book Evening on Wednesday 1st May. This is an opportunity to visit school so that your child can show you their recent work. Parents/carers are invited to visit school after all children have been dismissed, therefore collect your child at 3.20 p.m. as usual. This is an open event and no appointment is necessary, however this event will close at 5.00 p.m. All children should be with their parents/carers during this event as it is a time for them to spend time discussing their work. For We look forward to seeing you.

MEDICATION

Please note that if your child requires prescribed medication at any point which cannot be given to them either side of the school day, that this should be brought to the office by a parent/carer so that information on dosage and storage can be discussed. Your child's class teacher will need to know that medication is required, but the medication itself should **not** be put directly into your child's book bag as this is a safety issue to them and other children who may open it. At the end of the day, staff will return the medication to the office, where parents/carers are asked to collect it and to check that it is the correct medication before it will be returned. Many thanks for following these important procedures.
