

Dear Parents,

Welcome back to the autumn term, I hope you and your families have had a lovely summer. I look forward to working in partnership with you again this year, to help support your child in the best possible way.

As always, we will have termly meetings to discuss your child's progress towards their individual targets. Please do not hesitate to contact myself or your child's class teacher if you have any questions or concerns before then.

Please refer to the Special, Educational Needs and Disability (SEND) section of the school website, for key documents and resources to help support pupils with SEND.

Just before the end of the summer term, you were sent out a SEND questionnaire. If you have not already done so, I would be really grateful if you could complete this as it will help us to improve our provision in school.

Kind regards

Mrs Aimee Nash
