

The Role of the Eco-Committee

The Eco-Committee will work together to be a voice of their peers. They will model the importance of the school becoming more environmentally sustainable.

All members will attend Eco-Committee meetings and take an active role in participating and contributing to its' activities within the Eco-Schools Green Flag Award Programme.

The Eco-Committee will meet at least once a month and then report back to their peers.

Responsibilities

As an Eco-Committee member, your responsibilities include:

- wearing your Eco-Committee badge
- looking for ways to improve and enhance the environment of the school
 - being willing and open to listen to ideas from other members
 - attending every Eco-Committee meeting and writing the minutes
- ensuring that data, actions and activities are monitored, evaluated and reported back to your peers and within school and the wider community, where appropriate
 - contribute to writing electronic Eco newsletters
- reporting back findings to your class following meetings, carrying out any further actions required
 - contributing to Eco-Committee presentations and assemblies.
