Pedestrian Training

Last week Reception, Year 1, Year 2 and Year 3 had a pedestrian safety session with an external trainer. They were shown the correct places to cross roads and how to do this safely within the hall and using equipment to make up different road junctions. Year 4 also started their pedestrian training last week and were due to have a follow up assessed walk today. Although this has been postponed they will carry this out on the afternoon of the 14th February now. All the children listened well and took a full part in these important sessions about how to stay safe as a pedestrian.
