#### PTA

During the PTA AGM held this week, the committee was reinstated, however the current committee will all be stepping down at the beginning of the new academic year and if the PTA is to be able to continue in providing social and fundraising events in the future, other interested parents and carers will need to be found for these roles. Every parent/carers is a member of the PTA at the point of which their child starts school, but the committee is made up of a chair, a treasurer and a secretary, each with a distinct role. They plan, chair and record meetings to discuss ideas and organisation for events, working hard to make sure these succeed and provide an extra community experience for the children and parents alike as well as helping to raise valuable funds to support projects and resources in school. More information will follow over the coming weeks but if this sounds of interest to you and you wish to know more, contact either one of the committee or your class representative.
