

Eco-Committee Newsletter

Spring Term 1

We have achieved ...

- Completed an Environmental Review
- Whole school assembly to introduce ourselves and share our Action Plan
- Talked to our Headteacher about what we hoped to achieve this year
- Paper recycling bins are now in all Classes which we are responsible for emptying daily
- Plastic/paper from packed lunches are being recycled daily
- Year Four made eco bird feeders
- Whole school participated in the Big Schools Birdwatch and data submitted
- Designed an eco-wall to share information
- Emailed Severn Trent to invite into school

Our next steps ...

- Monitor the amount of paper wastage per Class
- Create natural habitats to encourage animals
- Organise a Book Swap during Book Week
- Guide for - How to make a plastic free lunch box
- Join in 'Earth Hour'

You can support our work ...

- **REUSE** - Donate any pre-loved books to school that you think someone else would enjoy reading as part of our Eco Book Swap.
- **RECYCLE** - Have you got any ... terracotta plant pots, small pieces drainpipe, bamboo or perforated engineering bricks? These will be used to create a variety of natural habitats around the school grounds.
- **REDUCE** - Follow our simple guide to create your very own a plastic free lunchbox.
- Always think ... **REDUCE, REUSE, RECYCLE**
