

Bring a Book, Take a Book

To support our work in reducing waste, the Eco-Committee would like to invite you all to take part in a Whole School Book Swap as part of our Book Week celebrations 3rd – 7th March.

To take part, you will need to bring in to class a pre-loved children's book (in good condition) **that you no longer want**, during the week 25th-28th February. For each book you bring in you will receive a Book Swap eco-token (maximum 3). Throughout World Book Week, 3rd – 7th March, you can exchange your Book Swap eco-token, in the library at break or lunch, for a pre-loved book that has been donated.

We look forward to seeing you all enjoy our very first World Book Week Book Swap!
