

# Eco-Committee Newsletter

## Spring Term 2

### We have achieved ...

- Whole school assembly to introduce the Great Big Schools Clean
- Whole school participated in the Great Big Schools Clean Up and Earth Hour
- Organised and ran the Eco Book Swap during our whole school book week
- Rob from Severn Trent delivered a very informative assembly about how we can help conserve water
- Created natural habitats/bug hotels in our school grounds
- Created a waste free lunch box guide for parents
- Less rubbish for landfill as we are now recycling all our food waste

### Our next steps ...

- Rewild an area of the school grounds and plant wildflowers
- create a bee corridor
- Compost raw food waste
- Launch and begin the Global Ocean Trawler Challenge
- Wild Postcard Project Global Biodiversity-themed Art Competition

### You can support our work ...

- **REUSE** - The Eco Book Swap was such a HUGE success and enjoyed by all so why not arrange your own book swap group where you can share books you have already read.
- **RECYCLE** - Dispose of your waste responsibly ... use a bin. Maybe you could make litter picking part of your weekend routine whilst out walking.
- **REDUCE** - Help our amazing blue planet ... reduce water usage by turning off the tap when brushing your teeth and spend less time in the shower.
- Always think ... **REDUCE, REUSE, RECYCLE**
