End of Term Arrangements

We are quickly coming towards the end of term. On **Tuesday 18th July** we are having our moving up day so all the children will have a chance to spend the day with their new teacher in their classrooms and so will be completing different activities in preparation for their new year.

Our last day of term is **Friday 21st July**, therefore on **Thursday 20th July**, we will give you your child's books from this year to take home, if you wish.

Please ensure your child brings a strong bag to school on this day so that the books can be placed directly into these at home time. Any that are left behind from Friday 21st July will be disposed of. P.E. kits will also need to go home during the week beginning 17th July after your child's last PE session.

As usual at this time of year, there is a lot of lost property in school with no names on, we will put this out for parents & carers to look at next week.

Please look through this and claim what is yours as we will be recycling anything left after the end of term.

On our last day - **Friday 21st July**, the children can bring one game or toy to play with alongside others (not computer/electronic games) as an end of term treat. Please do not send anything with lots of very small pieces that could be lost or anything that is easily broken. Year 6 children also enjoy collecting messages from their friends across school on the last day and are allowed to bring in an additional old shirt to sign if agreed with parents.

Congratulations!

Congratulations to Miss Alton who safely delivered a very bonny baby girl - Florence Molly. Both are doing very well and we are all eager to meet the new school family arrival.

Annual written reports will be handed to you from today. Any not collected will be available from the school office.

Meet the Teacher

We are holding a Meet the Teacher evening next week on 12th July between 3.30 p.m. and 6.00 p.m.

This is a drop-in event, so no appointment is necessary. This is a time to visit your child's new Classroom and teacher to become acquainted before next year.

If you have any queries that you would like to raise about your child's report with their current Class teacher, this can be carried out during your visit.

Please see the attached for information about FREE child entry to the Museum of Carpet over the summer holidays.
