### Well Done!

Well done to Year 6 who have been attending their arts residential trip to Ingestre Hall this week. They have stayed away from home for a week, increasing their independence and taking more responsibility for themselves over the course of this time. They have experienced a range of arts activities delivered by skilled practitioners and as a result have completed amazing work of a high standard in dance, art, animation, music and drama. We are very proud of them for all these reasons and for being polite and well behaved and in displaying their high level of care and support for each other. They have also made some new friends from other schools along the way - a wonderful week all round!

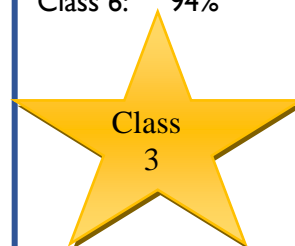

### Hot Dinner Orders

Please be reminded that you need to book and pay for lunches for after half term. Shire Services have contacted school to say that parents are forgetting to order lunches for their children and this is especially the case as we begin a new half term. The kitchens only make what is ordered even if your child is entitled to a free school lunch, this is to ensure that as little food is wasted as possible. Therefore, it is essential that you keep up to date with ordering food choices.

Many thanks.
