|--|---|---|--|
| I enjoy reading, writing and speaking. | Talk to your family and friends about their favourite food. Why is it their favourite? | Go to the library and find some non-fiction books all about our senses. | Make a fact file about the 5 senses. |
| I enjoy working with numbers and being scientific. | Use a magnifying glass to look at everyday objects up closely. What do you notice? | Make a mystery touch box. Put a variety of objects in your box. Can you identify the object by your sense of touch? | Do an apple taste test. You might be surprised to discover you can actually tell different kinds of apples apart. |
| I enjoy painting, drawing and visualising. | Draw/paint a picture of all of the people who are special to you. | Use some paint to make handprints of everyone's hands in your family and then cut out the handprints. Can you put them in order of size from the smallest handprint to the largest handprint? | Self-portrait Be as creative as you like. You could draw a picture, paint a picture or even make a 3D model of yourself. |
| I enjoy being active and doing hands-on activities. | Create a sense of taste test for your family – they must describe the taste of various foods with their eyes shut. Or could they do it for you? | Go on a listening walk. What sounds did you hear? | Play 'Eye Spy' or 'Simple Simon' with your family. |
| I enjoy making and listening to music and poetry. | Sing songs about your body. For example: head, shoulders, knees and toes. | Read/listen to some poems. Which is your favourite? Why? | Write a poem about yourself. |
| In these boxes you can create your own home learning activities/ideas. | | | |
