Well Done Eco Committee

The Eco-Committee continue to work hard work and show enthusiasm and commitment. We are all still basking in the glory of achieving a Green Flag Award last year with distinction, and are hoping to continue and build on the good work and achieve the same again this year.

Please take a look at the Eco Schools page on our school website which is updated regularly, here you will find a wealth of information about our continued work including our latest action plan.

Together we can all make a difference 🌍
