Pioneer Trip Well Done!

Well done to all of Year 4 who attended their three day/two night residential this week. They have been recognised as a whole class this week due to their effort and attitude but also because throughout the experience, they showed how hard they were willing to work, approaching every activity with determination and a positive mindset. Everyone showed real bravery by staying away from home, especially those who had never stayed away before. They made the most of every opportunity and represented our school brilliantly. They were a delight to take away and hope that they will have long lasting memories of their experiences there.
