

# Year 4 Summer Home Learning

## Literacy – The Hottest Day Ever!

Imagine it is the hottest day ever recorded. Strange things begin to happen! Plan and write your own story.

Someone	Setting	Something Happens	Solution
Who is your character?	Beach, park, garden...?	What goes wrong?	How is it fixed?

Summer Word Bank: sunshine, ice cream, beach, seagull, splash, sunglasses, heatwave, watermelon, picnic, holiday

## Maths – Summer Holiday Challenge

### 1. Ice Cream Shop

- An ice cream costs £2.50. How much do 2 cost?
- How much do 4 cost?
- How much change would you get from £20 if you bought 6?

### 2. Beach Towel Area

A towel is 8 squares long and 4 squares wide. How many squares cover the towel?

### 3. Summer Data Hunt

Count how many of these you can spot today: birds, flowers, cars, clouds. Create a tally chart.

## Creative Task

Design your dream summer holiday. Draw it and label 5 things you would take with you.
