

Eco-Committee Newsletter 4

Always think ... **REDUCE**, **REUSE**, **RECYCLE**

We have ...

- Adopted a Street – Station Drive
- Promoted daily 'Mindful Moments' and regular 'Mini Movements' for all classes
- Begun the planning stage of our Sir David Attenborough legacy
- Interviewed Mark Garnier (Wyre Forest MP)
- Had an assembly about the energy monsters
- Learnt how we can use water wisely from Severn Trent
- Completed and submitted our Green Flag application

<https://www.blakedowncofeprimary.co.uk/page/?title=Eco%2DSchools&pid=361>

Our next steps ...

- Await the results of our Green Flag application
- Create the Eco-Team for September 2026
- Complete our eco floor book to showcase all our work from this year
- Begin to think about actions/goals for next academic year
- How can we support the school Climate Action Plan
- Have a well earned rest.

Spotlight on ... supporting our environment in the summer holidays.

- **REUSE** – The Summer holidays are the perfect time to have a sort out, you might have things that you no longer want that others could benefit from. There are so many things that can be reused by others, from clothes to saucepans to toys.
- **RECYCLE** – Start collecting plastic bottle tops in preparation for a new initiative with ScooolCycled which will begin in September.
- **REDUCE** – Think about the water that you can save through little actions ... turn off the tap instead of letting the water run freely and have a shorter shower.
