

Acceptable Use KS1

Acceptable Use Policy_Permission KS1

(see also Online Safety, Acceptable Use & GDPR)

Parent/Carer

Technology has transformed learning, entertainment and communication for individuals and for all organisations that work with young people. However, the use of technology can also bring risks. All users should have an entitlement to safe internet access at all times.

This Acceptable Use Agreement is intended to ensure that:

- Young people will be responsible users and stay safe whilst using ICT (especially the internet).
- School ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk
- Parents and carers are aware of the importance of online safety and are involved in the education and guidance of young people with regard to their online behaviour.
- This policy is informed by Keeping Children Safe in Education (2025), DfE Filtering and Monitoring Standards (2023), and UK GDPR/Data Protection Act 2018.

The school will try to ensure that pupils will have good access to ICT to enhance their learning and will, in return, expect them to agree to be responsible users.

As the parent/carers of the child named below, I give my permission for my son/daughter to have access to the internet and to ICT systems at school.

My son/daughter and I have signed the Acceptable Use Agreement overleaf and my son/daughter has received, or will receive, online safety education to help them understand the importance of safe and responsible use of ICT - both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safeguarded when they use the internet and ICT systems.

I understand that my son's/daughter's activity on the ICT systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the Acceptable Use Agreement. **I acknowledge that if my child does not follow this agreement, appropriate action will be taken in line with the school's Behaviour Policy and Online Safety Policy**

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.

I support Blakedown CE Primary School in this important aspect of the school's work

Parents/Carers - please read and discuss with your child:

This is how we stay safe when we use computers:

- ✓ I will ask an adult if I want to use the computer
- ✓ I will only use activities if an adult says it is OK
- ✓ I will take care of the computer and other equipment
- ✓ I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong
- ✓ I will turn off the monitor and tell an adult if I see something that upsets me on the screen
- ✓ I know that if I break the rules I might not be allowed to use a computer.

I understand these computer rules and I will do my best to keep them
