

This week in Reception Class...

3rd September 2026

This week we started our learning journey at Blakedown CE Primary!

We have already learnt so much:

- › The names of our teachers.
- › The names of our new friends in our class.
- › Where our peg and our tray is so we can safely store our coats and bags.
 - › How to sit like a strong bear.
 - › How to stand like a strong penguin.
 - › Where everything is in our classroom.
 - › How to tidy our classroom.

How we get ready for snack time and lunch time.

... and a whole lot more than this!
