It has been a busy first half term and the children are now well into their routines and have had varied learning experiences across the weeks. I hope that half term enables you all to have a good break and I look forward to seeing you on Monday 31st October for the start of next half term.

On our return the weather will be much cooler and children should be wearing the winter school uniform and ensure they have a coat with them every day. For PE, they will all need to wear their navy blue tracksuit and bring a change of footwear with them on PE days.

HIGH IMPORTANCE YEAR 6

Year 6 High School Applications

Applications for High Schools closes on 31.10.22. To date, there are still ten parents who have not submitted their choices. We have been asked to advise you that if choices are not made by this date then places cannot be allocated afterwards and this may cause future distress when school places are not available. Please ensure you submit your choices and receive confirmation of this to check your form has been received.

Tag Rugby

On Friday 14th October, a team of ten Year 4 pupils attended a tag rugby morning at Kidderminster Carolians RFC. The morning began with a carousel of activities which were designed to develop tag rugby skills. These activities included a mini game, passing and agility which all prepared our team for playing matches against the other schools. The second half of the morning consisted of putting these skills into practise through a series of 7-a-side matches against other local schools. All children played very well and we made a strong team who were excellent representatives for our school.
