Dear Parents/Carers of Year 5

Year 5 will be undertaking their Bikeability Level 1 course on **Wednesday 28<sup>th</sup> September**. Level 1 training takes place in school on the playground and require the children to bring their bikes into school for the day.

Year 5 can wear their PE kits for the days in which they are cycling along with waterproof jackets and suitable footwear for riding their bikes. I have been asked to remind you that the children's bikes should be fit for riding with no faults or adjustments and that children must be able to fit their own helmets. Any bikes that are unfit for the road may lead children not being able to take part in the training. Please see the additional information attached about the correct equipment and setup for each bike.

On Wednesday 28<sup>th</sup> September, the children should dismount from their bikes at the gates to school and walk with their bike towards the classroom. There should not be any riding on school site other than during the training. Miss Alton will designate spaces for the bikes to be stored.

You will receive additional information attached with this letter from Worcestershire County Council, who run the course and you will also be sent a consent form via ParentMail to complete by **Wednesday 21<sup>st</sup> September**. Please note, without the returned consent form your child will not be able to take part.

If you have any further queries please do not hesitate to contact me or Miss Alton via the school office.

Yours sincerely
